	Admissions decisions sent to applicants by the department	In May
	Confirm your program acceptance by sending a non-refundable deposit. (\$100)	
	Program begins	Mid September

* Career Observation must be completed before the application interview. Career Observation hours are highly recommended to be completed at Loma Linda University Medical Center. If a student is coming from out of town, the eight hours of career observation may possibly be completed the day before the scheduled interview.

** Interviews will only be granted when the application and all elements have been received by the postmarked deadline. Due to the popularity of the program, it is recommended that applicants apply early in the enrollment process and submit all additional admissions elements. All elements must be submitted for the application to be considered.

Send All Admissions Elements to:

**Loma Linda University Admissions
11139 Anderson St
Loma Linda CA 92350**
