- Tuition for the 2017-2018 school year is \$734/unit. For students in the Nutrition and Dietetics Program – MS (For students with RD), tuition is calculated resulting in the costs above.
- University fees for the 2017-2018 school year are \$793 per quarter and include miscellaneous on-campus fees.
- A personal desktop or laptop computer (or access to) with wireless capability and a broadband connection are required, and all students must have software compatible with the newest version of Microsoft Office. Additional recommended items such as a personal printer are not included in the estimate. Copy cards can be obtained to use on campus.

- A cellular device or personal digital assistant (PDA) or tablet is required for the program but most students use them throughout various aspects of the program. Costs associated with their usage are not included in the above and are the student's financial responsibility. Students must be reachable by their programs through student email.
- For students to obtain financial aid to cover computer expenses, a form must be filed with the Financial Aid office. Please contact the Financial Aid office for more details.
- Housing and living costs are based on the living allowance provided by financial aid for off-campus students. Those students who live in an on-campus dorm or living with parents will be allotted less per month for housing. Please contact the Financial Aid office for more information.
- Personal living expenses are not included.
- The dress code for the program may require students to wear business casual clothing during both the preclinical and clinical years. Students often add these expenses to their personal budget before arriving on campus. (Lab coats and business dress, etc.)
- Transportation costs to and from campus and to clinical sites, and relocation or moving costs are not included and are the students responsibility.
- Fees associated with background checks or finger-printing is not covered by financial aid and are the students responsibility.
- Membership dues for national and local professional organizations are not included in the estimate. Student membership in each is required.
- For financial aid purposes, the school year runs from summer through spring. Thus, each student will apply for financial aid a total of one time.
- International students are subject to additional fees that will be applied to their tuition.

Expenses after Graduation

Students can expect a number of expenses that will need to be budgeted for immediately upon graduation in order to become certified and obtain licensure. Those graduates who desire to become involved in the profession through participation in the national and state professional associations will also need to budget for membership with these organizations.

Current costs associated with each of the above are listed below:

- Professional Fees after Graduation
 - Continuing medical education (CME) credits – variable
