**Notes:**

- Tuition for the 2017-2018 school year is \$475.00/unit. For students in the Radiation Sciences, BS program, tuition is calculated resulting in the costs above.
- \*\*The Emphasis is based on 24 units. Please note; some emphases are as low as 12 units or as high as 24 units. Some students may have already completed their emphasis. Check with the Program Director for details.
- Tuition estimates do NOT include any GE, elective, or professional coursework.
- University fees for the 2017-2018 school year are (\$808.00 /quarter) include misc. on-campus fees.
  - University fees are only charged to students within a clinical emphasis.
  - Completely online students (non-clinical emphasis) will NOT be charged an enrollment fee.

- The laboratory fee covers expenses incurred for clinical skills and diagnostics laboratories. The program does not charge students for use of the gross anatomy lab, simulation center or clinical skills center.
- Supplies and equipment include: Traditional school supplies. The estimate reflects an average cost for all items.
- A personal desktop or laptop computer (or access to) with wireless capability and a broadband connection are required, and all students must have software compatible with the newest version of Microsoft Office. Additional recommended items such as a personal printer are not included in the estimate. Copy cards can be obtained to use on campus.
- A cellular device or personal digital assistant (PDA) or tablet is not required for the program but most students use them throughout various aspects of the program. Costs associated with their usage are not included in the above and are the student's financial responsibility. Students must be reachable by their programs through student email.
- For students to obtain financial aid to cover computer expenses, a form must be filed with the Financial Aid office. Please contact the Financial Aid office for more details.
- Housing and living costs are based on the living allowance provided by financial aid for off-campus students. Those students who live in an on-campus dorm or living with parents will be allotted less per month for housing. Please contact the Financial Aid office for more information.
- Personal living expenses are not included.
- The dress code for clinical based coursework may require students to wear scrubs or business casual clothing during both the preclinical and clinical years. Students often add these expenses to their personal budget before arriving on campus.
- Transportation costs to and from campus and to clinical sites, and relocation or moving costs are not included and are the students responsibility.
- Fees associated with background checks or finger-printing is not covered by financial aid and are the students responsibility.
- Membership dues for national and local professional organizations are not included in the estimate. Student membership in each is optional.
- For financial aid purposes, the school year runs from summer through spring. Thus, each student will apply for financial aid each school year they are in attendance of the program.
- International students are subject to additional fees that will be applied to their tuition.
- **All expenses, including tuition and fees, are subject to change.**

#### *Expenses after Graduation*

Students can expect a number of expenses that will need to be budgeted for immediately upon graduation in order to become certified and obtain licensure. Those graduates who desire to become involved in the profession through participation in the national and state professional associations will also need to budget for membership with these organizations.

Current costs associated with each of the above are listed below:

- Professional Fees upon Graduation
  - Certification examination varies by modality (see [arrt.org](http://arrt.org))
  - California or state licensure varies by modality (see [rhb.gov](http://rhb.gov))
- Professional Fees after Graduation
  - Continuing medical education (CME) credits – variable
- Professional Association Fees (optional)
  - Varies by association (see [asrt.org](http://asrt.org))

#### *Financial Aid*

The majority of students apply for loans to finance their education at our university. For more information, see our Financial Aid page or contact our department: [studyradsci@llu.edu](mailto:studyradsci@llu.edu)
