

What to do if there are problems?

1

Determine that expectations of the student are appropriate for the level of experience and education.

Discuss concerns directly with student.
Provide specific examples and details.

2

3

Work together to develop a specific plan to address the concerns.
ID deadlines.

Contact the Director of Clinical Education (DCE) at LLU to share the plan. Advice and suggestions may be provided.

4

5

Collect specific data on goals identified. Have ongoing discussions regarding progress.

At deadlines, identify goals that need to be changed/adjusted.

6

7

Throughout this process, continued honest conversations should happen.
