

PROGRAM OFFERED

♦ M.S.

The Department of Nutrition and Dietetics offers the following tracks that lead to a Master of Science degree. Graduates are eligible to take their registration exam after completion of their program track requirements.

- The BS+MS track includes five (5) quarters of graduate coursework after the completion of undergraduate courses. NOTE: The bachelor's and Master's degrees will be awarded after completion of the three-year program.
- The MS (prior BS/BA) track is for persons with a prior bachelor's degree. Applicants with a nutrition-related degree not accredited by ACEND must apply for this track.
- The MS (post-DPD) track is for persons who have completed an ACEND-accredited Didactic Program in Dietetics.

Prerequisites for these programs are listed on the second page of this document
