Communicating with Compassion

Dr. Danielle Clair, DMFT, LMFT-S, RPT

*Clinic Director, School of Behavioral Health Resiliency, Clinic Director, Play Therapy Program
Assistant Professor, Interdisciplinary Studies*

The purpose of this presentation is to promote and explore ways to reconcile, repair, or improve communication experiences through an engaging, hands-on learning experience.

- Define current and previous experiences with communication and different systems (e.g., school, work, home).
- Given play-based materials, students will create a visual that will illustrate a current or previous communication experience.
- Explore how to reconcile, repair, or improve communication experiences.
