School of Allied Health Professions

Medical Radiography | Applicant Observation Form

To the Chief or Supervisory Technologist:

The following applicant, _____, has applied to the Radiologic Technology Program at Loma Linda University. As part of the application procedure, this prospective student is being asked to spend a minimum **8** hours in a Radiology Department or clinic in the area where the applicant lives. This will, hopefully, enable him/her to have a more realistic and knowledgeable view of the profession.

We would appreciate your taking the time to briefly talk to this individual about the profession, giving some idea of what a radiographer actually does, what type of work hours might be expected, what the pay scale is in your area, etc. We would like the applicant to observe a minimum number of specific radiographic examinations as follows. (If any of these exams are not available in your department, please feel free to substitute other exams and list them on the appropriate line below.) We would also like the applicant to spend one for (4) hour block observing on a weekend evening/night shift to see what trauma or on-call work is like, if available in your institution or area.

_____ Number of Hours Observed
 Three different contrast exams Three general exams
 Three portable/ER surgery exams Weekend/evening observation
 List other significant areas or exams observed: _____

I have talked to the above applicant about the radiologic technology profession, and he/she has observed the exams indicated above.

Name: _____ Date _____ Position _____

Signature: _____

Facility Name: _____ Facility Phone: _____

Facility Address: _____

After the applicant has completed this requirement, please check and sign this form. Fax to Radiation Technology Department 909-558-7965. Or scan and email to radsci@llu.edu. Thank you for your time and effort in helping this applicant become better acquainted with our profession.

Sincerely,

Will Edmunds
