

## Scholarships

### *Additional updates coming soon...*

The following scholarships are provided by generous donors and supported by Alumni of the School to provide support for promising students.

Give Today at: [www.llu.edu/giving/alliedhealth](http://www.llu.edu/giving/alliedhealth)

### **General Allied Health Professions Funds**

#### **SAHP Hispanic Student Scholarship**

The purpose of this fund is to provide scholarship assistance to Hispanic students enrolled in the School of Allied Health Professions.

#### **SAHP Student Scholarship**

This fund supports students in the SAHP who are not affiliated with a certain department such as Allied Health Studies students. Students who are in need of financial aid in order to remain in their program are eligible for this scholarship.

### **Cardiopulmonary Sciences**

#### **Cardiopulmonary Sciences Student Scholarship Endowment**

This endowment provides scholarships to students enrolled in the CPS department who require financial aid in order to attend the School.

#### **Lou Jezerinac Scholarship**

Louisa Jezerinac dedicated 20 years of her life working as a respiratory therapist. After her death, her husband established this scholarship, which is given to one or two students whose patient care exemplifies the qualities of compassion and dedication that Louisa embodied in her own work.

#### **Robert L. Wilkins Memorial Fund**

Established to honor the memory of alumnus and longtime faculty member Dr. Robert L. Wilkins.

#### **Scholarship for Clinical Excellence**

The Cardiopulmonary Scholarship for Clinical Excellence in Respiratory Care is awarded annually to students who are in the respiratory therapy program who excel in clinical practice.

### **Clinical Laboratory Sciences**

#### **Clinical Lab Sciences Student Scholarship Endowment**

This endowment provides scholarships to students enrolled in the CLS department who require

financial aid in order to attend the School.

### **Marlene Ota Scholarship**

This scholarship, established in honor of Marlene Ota, "promotes and enriches the field of cytotechnology by recognizing and giving financial aid to deserving students." It is awarded to a cytotechnology student who has demonstrated integrity, leadership and academic excellence.

### **Robert & Jacqueline Moncrieff Scholarship**

This scholarship is awarded to a CLS student who demonstrates superior scholarship, professional dedication, financial need, and such personal attributes as dependability, integrity, and initiative. It was established by Robert Moncrieff, a 1950 CLS graduate.

## **Communication Sciences and Disorders (Speech-Language Pathology)**

### **Evelyn Britt Promising Student Award**

This award is presented to students preparing for graduate work in speech-language pathology and audiology and recognizes those who show particular promise of scholarship and professional achievement.

### **Speech-Language Pathology & Audiology Student Scholarship Endowment**

This endowment provides scholarships to students enrolled in the CSD department who require financial aid in order to attend the School.

## **Health Information Management**

### **Audrey Shaffer Outreach Endowment**

This award provides travel expenses for student clinical and affiliation experiences in healthcare facilities outside the United States. Audrey Shaffer, a 1973 graduate of the Health Information Management department established this award to cover these expenses.

### **Davidian Scholarship Endowment**

This scholarship is awarded to a student who demonstrates professionalism, leadership potential, scholastic achievement, and financial need. Preference is given to single mothers returning to college. It was established by the family of Sally Jo Davidian, a 1976 graduate in Health Information Management.

### **Health Information Administration Student Scholarship Endowment**

This endowment provides scholarships to students enrolled in the HIM department who require financial aid in order to attend the School.

### **Margaret B. Jackson Scholarship**

Margaret Jackson was not only a 1965 graduate of the HIM program, but she was also a former faculty member and department chair. This scholarship, created in 1985 in Margaret's honor, is presented to a senior student on the basis of scholarship, promise of outstanding professional achievement and financial need.

## **Nutrition and Dietetics**

### **Jennie S. Hudson Endowment**

Jennie Hudson was a 1931 graduate of the nutrition and dietetics program. This scholarship was created in 2001 and is given to a student who demonstrates academic achievement and a promise of professional achievement.

### **Kathleen Zolber Academic Endowment**

Kathleen Zolber was program director for the N&D program and director of nutritional services for LLUMC. This scholarship was created in Kathleen's honor in 1994, by the department of nutrition and dietetics, just 5 years before her death. It is awarded to selected juniors in recognition of scholarship and promise of outstanding profession.

### **Nutrition and Dietetics Student Scholarship Endowment**

This endowment provides scholarships to students enrolled in the N&D department who require financial aid in order to attend the School.

## **Occupational Therapy**

### **Occupational Therapy Student Scholarship Endowment**

This endowment provides scholarships to students enrolled in the OT department who require financial aid in order to attend the School.

### **Hamid Javaherian Memorial Scholarship**

The Hamid Javaherian, MD Memorial Scholarship was established to continue Dr. Javaherian's legacy. It is awarded each year to a Occupational Therapy doctoral student who exemplifies compassion, leadership, program innovation, and dedication to the community.

## **Physical Therapy**

### **Jonna Hughes Memorial Scholarship**

Established by Jonna's son, Dr. Billy Hughes, to continue his mother's tradition of service. It is awarded annually to a woman in the Physical Therapy department who has risen above personal circumstances to commit to a life in service to others.

### **Jeanne Middleton Memorial Scholarship**

In 2003, one of Jeanne Middleton's former students, Robert Gehrig '66, presented the School with a check to endow the Jeanne Middleton Scholarship. This award is presented to a PT

student in his or her first year and is selected by the department on the basis of financial need, professional potential, and aggressive achievement in the program.

#### **Physical Therapy Student Scholarship Endowment**

This endowment provides scholarships to students enrolled in the PT department who require financial aid in order to attend the School.

#### **Ron Hershey Student Scholarship**

Ron Hershey, long-time faculty member in the Physical Therapy department, was honored in 1993 by the creation of this scholarship by the PT class of 1963. This scholarship provides funds for students who demonstrate a financial need and exemplify the Christian qualities of love, patience, caring, humility, and a continual drive for excellence

#### **Thomas Burke Scholarship**

After finishing his first one and a half years of study in the physical therapy program at LLU, Thomas Burke spent the summer assisting in the gross anatomy laboratory. His life was cut short in 1994, when he was killed in an auto accident. After his death, his parents established this scholarship award which recognizes outstanding students in the dedicated pursuit of physical therapy as a second career in his memory.

#### **Physical Therapy Assistant Program Scholarship**

This endowment provides scholarships to students enrolled in the PTA department who require financial aid in order to attend the School.

### **Physician Assistant**

#### **Physician Assistant Scholarship Endowment**

This endowment provides scholarships to students enrolled in the PA department who require financial aid in order to attend the School.

#### **Physician Assistant Alumni Award**

In 2004 an alumni award scholarship was created by the class of 2003. Recipients are selected on the following criteria: sound judgment in resolving student issues, willingness to lead activities or study groups, mature and responsible behavior, rapport with peers, faculty/staff, and recent involvement in community service.

### **Radiation Technology**

#### **Radiation Technology Student Scholarship Endowment**

This endowment provides scholarships to students enrolled in the RT department who require financial aid in order to attend the School.
