Bachelor of Science Radiation Therapy Applicant Observation Form

To the Chief or Supervisory Technologist:

The following applicant, _____, has applied to the Bachelor of Science Radiation Therapy Program at Loma Linda University. As part of the application procedure, this prospective student is being asked to spend a minimum of 24 hours (over a mutually agreeable time span) in a Radiation Therapy Department or clinic. This will, hopefully, enable him/her to have a more realistic and knowledgeable view of the profession.

We would appreciate your taking the time to briefly talk to this individual about the profession, giving some idea of what a radiation therapist actually does, what type of working conditions might be expected, and what the pay scale is in your area, etc. We would like the applicant to observe as many different types of treatment set-up as possible.

- CT simulation
- Treatment machines
- List other significant areas or exams observed: _____
- I have talked to the above applicant about the radiation therapist profession and he/she has observed the exams indicated above.

Supervisory Therapist: _____ Position: _____

Signature: _____ Date: _____

Facility Name: _____

Facility Address: _____

Facility Phone: _____

After the applicant has completed this requirement, please check and sign this form, faxing it to the SAHP Department of Radiation Technology, (909) 558-7965. Thank you for your time and effort in helping this applicant become better acquainted with our profession.

Sincerely,

Carol A.L. Davis
